

### Handling & Storage Tips For McCain Frozen Foods

- ★ Carefully carry and stack your packs of McCain Frozen Foods - Rough handling can result in breakage
- ★ Transfer frozen McCain product packs to the deep freezer immediately - Never leave them out at room temperature
- ★ Check the freezer's temperature regularly - It should always be around -18°C
- ★ Stack your McCain packs properly - If in cases, then no more than 6 cases high
- ★ Always rotate your freezer's inventory - The first case in should be the first case out

### Best Cooking Practices For The Perfect Product Experience

- ★ Use product straight from the freezer - No thawing required
- ★ Return unused product back to the freezer immediately - Never leave them out at room temperature
- ★ Check oil temperature for frying - Be sure oil is up to the fill level and heated to 175°C or as recommended on pack
- ★ Fill basket half full - So that the product is completely submerged in oil to cook properly
- ★ Fry for around 3 minutes or bake - Check individual packs for complete cooking instructions
- ★ Shake basket gently - After 30 seconds of frying, shake basket to break up clusters and ensure even cooking
- ★ Drain excess oil - After frying, hold basket above fryer for 10 seconds to remove excess oil
- ★ Season away from fryer - Do not salt or season the product over the fryer or the oil will break down and change flavour
