# ABOUT US

Charoen Pokphand Norfolk India (CPNI) is a joint venture between Charoen Pokphand Foods Limited, India (CPF India) and Norfolk Foods Ltd, Sri Lanka.

Charoen Pokphand Foods Public Company Limited and its subsidiaries, CP Group, are a leading agro-industrial and food conglomerate in Thailand with a global presence.

CP was started in 1921 by two humble, hardworking Chinese brothers in Bangkok. For more than 100 years, CP has never forgotten their roots even though it has grown to become one of the largest food companies in Asia today.

Norfolk Foods Sri Lanka has been at the forefront of bringing innovative quality value-added meat, poultry, fish and vegetarian products to star class hotels and other food establishments for over 30 years.

Norfolk Foods is the brainchild of Mohamed Ziauddin, a British-trained Food Specialist who invested his expertise and experience gained in the UK, into the business when he returned to Sri Lanka.

Joining together to form CPNI, the partnership implements the "Farm to Fork" concept, a vertically integrated supply chain with stringent quality control measures. Only high-quality raw materials are chosen to be processed using innovative production technologies.

CPNI undertakes continuous Research and Development to satisfy the varying and individual needs of the customer.

We are committed to providing products that are nutritious, tasty, safe, and of the highest quality.
